VERSE 1

F#
so it's been said before.... but
E B/D# F# (F#-G#-B-Bb)
we cannot help but sing it now
F#
it's such a simple song... yet
E B/D# F# (F#-G#-B-Bb-D#-B)
it's everything we long to say
F#
how can these little words... be
E B/D# F# (F#-G#-B-Bb)
somehow enough to move Your heart?
F#
and yet we know they are.... these

PRECHORUS

E B/D# B/D
words that You've given us to pray
E/C# G#7/C
What angels for ages have sang
B B/Bb B/A
Is there anything we can add

CHORUS (low)

F# E B/D# B
"Hallelujah" is all we have to say
F#
"Holy, Holy" these are the only

words, that we have to describe
B F#
the way we feel about You (now)

the heavenly choir singing this song

it has gone on and on [& on & on & on] for
E B/D# F# (F#-G#-B-Bb-D#-B)
ages unknown and times untold

(continued top right)

now that we stand with these... here
E B/D# F# (F#-G#-B-Bb)
before You throne what can we do?

but sing it back to you... these
